THE ARCHIVE 1 COLLECTION

The Design Archives

This first collection from The Design Archives, Archive 1, is a range of prints comprising two books: Cotton & Linen and a warmer Wool & Velvet collection. Sourced from the expansive Crowson archive, both contain designs derived from beautiful hand-painted documents, painstakingly redrawn and coloured to give them relevance to a modern interior. From elegant florals to beautiful paisleys, these designs sit alongside bold, coordinated stripes and motifs, which create an individual statement, or when worked together, a vibrant and cohesive design scheme.

Archive 1 – Cotton & Linen

The Cotton & Linen collection incorporates four elegant and traditional florals: Tree of Life, Celeste, Grosvenor and Grand Floral. These classic designs work in both a traditional and contemporary setting. The range also includes 2 vibrant coordinates – Malaya, an Asian-inspired motif and Milano, a classic bold stripe. Each design is available in a variety of colourways.

Archive 1 – Wool & Velvet

The Wool & Velvet range is a luxurious collection of 100% cotton velvets and wools. Ludhiana, Grand Floral and Tiffany are an eclectic mix of designs in various scales making them suitable for curtains and upholstery.
