SEASIDE ATTRACTION

Coastal style has enduring appeal, whether pared-back with whitewashed walls and driftwood, jaunty and nautical, or, as we celebrate here, full of seaside nostalgia. Whether living in one of our glorious seaside towns or seeking to emulate the charm of holiday memories of fish and chips, sandy toes and donkey rides, this look is full of pretty ice cream colours and sweet details. Combine the colours of the sea and sand with strawberry pinks, pistachio greens and creamy vanilla, in classic ticking stripes, fringing, beads and some witty nods to seaside attractions.
