The Birchgrove Collection

An eclectic collection of designs taken from some of our most popular original fabric prints: Tree of Life, Albertina, Grand Floral, Tiffany, Malaya and Exotic Fruits.

The Birchgrove Collection is available in 6 prints and one plain, and offers a myriad of classic styles - from chinoiserie-inspired large scale floral blossoms, to the intricate flourishes of Art Deco design, through to the symmetric beauty of Asian-inspired motifs – all offered in a sophisticated palette of colourways to suit any interior.
