SPRING GARDEN

S P R I N G G A R D E N

Spring Garden is a charming new collection from The Design Archives combining three delicately drawn traditional florals, teamed with a classic coordinating stripe, all recommissioned from the huge archive of historic designs and presented in six versatile and fresh colour combinations.

Following on from Archive 1, the first collection from The Design Archives, Spring Garden is printed on carefully selected linens and cotton satin. The original designs have been given a new lease of life, with palettes of rose, coral, gold, persimmon and mist, inspired and influenced by the subtlety and vibrancy of the blossoms and blooms of an English country garden in spring. Delft, with its crisp white backgrounds and pretty blues completes the colour line perfectly.

Spring Garden will translate easily throughout the home, either in a sitting room, bedroom or dining area, on blinds, drapes and upholstery. Or add a pop of Spring on a scatter cushion to bring the garden indoors.
