SHALA

## INTRODUCING SHALA

The three prints in the *Shala* collection are taken from original historic designs in The Design Archives' archival collection. We wanted to reintroduce these classics and bring them back to life by redeveloping the colours and pattern, offering a more contemporary twist for today's interiors.

### EXOTIC FRUITS

A trailing botanical design taken from an 18th century chinoiserie archive fragment. *Exotic Fruits* is available in three beautiful colourways, all on 100% linen. Suitable for soft furnishings and upholstery.

### SHALA

*Shala* is a wide stripe with small scale floral detailing, based on an ancient Indian design. Created on 100% linen, it is available in three rich colourways. Suitable for soft furnishings and upholstery.

### ALBERTINA

*Albertina* is an intricately detailed classic French toile design printed on 100% linen. It is available in four versatile and pretty colourways. Suitable for soft furnishings and upholstery.
