

THE DESIGN
ARCHIVES

A decorative interior scene featuring a wall covered in 'Spring Garden' wallpaper. The wallpaper has a repeating pattern of climbing vines with light pink roses and small blue flowers. In the foreground, a dark green wooden table stands on a light-colored wooden floor. On the table, there is a white ceramic vase with green foliage, a silver bowl with a scalloped edge, and two woven baskets. One basket is tall and empty, while the other is shorter and contains several pillows in shades of green and beige.

INTRODUCING THE SPRING GARDEN WALLPAPER COLLECTION

Introducing the Spring Garden Wallpaper Collection which perfectly complements our Spring Garden Fabric Collection. Romantic and timeless, these designs are inspired and influenced by the blossoms and blooms of an English country garden. Choose from three delicately drawn florals, Heidi, Chloe and Perryvale as well as Garden Stripe, a classic deck chair stripe.

There are six colour stories including delicate palettes of Rose, Coral, Gold and Mist. Also vibrant Persimmon and cool Delft, with its crisp white backgrounds and pretty blues to complete the colour line perfectly.

Paste the wall. Made in the UK.
