ARCHIVES
THE JEWEL COLLECTION

The Jewel Collection is beautifully coloured. A treasure trove of gems from rich Ruby red to bright Opal. Printed on a choice of sumptuous shimmering velvet, a classical linen and an elegant cotton satin for a truly luxurious effect.

Consisting of three designs – Amadour, Grand Tiffany and Tree of Life. The collection inspires a unique and sophisticated look to enhance any interior.

Amadour

An archival piece from the Parisian studio 'Artilia' – an elegant and inspiring traditional large scale floral bouquet. Shimmering with seasonally rich and tasteful smart colours, creating a dramatic and sophisticated addition to any room.

Grand Tiffany

Grand Tiffany is taken from a 1970's archival design by Michel Vidal. It is inspired by the Arts & Crafts movement, with aspects of Art Deco motifs and colouring.

Tree of Life

Developed from a traditional, classic Tree of Life mid-19th century French 'Mulhouse' archival document, for the 'Archive 1' collection. Two new colourways have been added: Antique Rose and Tea Rose, which reflect the original palette of this historic document.

All fabrics are dual purpose.
